

## **DEAR FRIENDS OF ART,**

Ruse Free Spirit City Foundation has launched the Talent without Boundaries Charity Campaign the goal of which is to raise funds for the restoration of the musical instruments at Professor Vesselin Stoyanov National School of Arts.

For more than half a century Ruse School of Arts has followed its motto “History without boundaries, the world is ours!”, uniting the past full of achievements and the present burdened with a responsibility for the future; facing the challenge to provide an adequate environment for the development of its young musicians.

In order to continue carrying out its important mission, the school has to raise the following sums of money:

- BGN 9,750 for the replacement of the mechanics of the Steinway grand piano at Ruse Hall
- BGN 136,500 for the purchase of a new grand piano for the concert hall of the school
- BGN 24,375 for the replacement of the mechanics of 25 upright pianos
- BGN 146,250 for the purchase of 15 new upright pianos which will take the place of those instruments which are beyond repair

The team of the foundation has supported the cause led by the firm belief that it is the young talents of Ruse who become the real ambassadors of our city to the world. We can guarantee that the donated money goes entirely to the project and provide full transparency of how it is spent.

Those willing to contribute to our cause can do so by making a donation through the following bank account.
